► LA MEDUSA

Una media melena puede engendrar un estilo de lo más cool o convertirse en uno de esos horribles peinados de los 90. En este caso, el corte por capas y los rizos marcan la diferencia.

CALVIN LUO

THE MEDUSA

WORN BY
Naley's Junior, cool-kid model from the Netherlands (who's part Dutch, Somali, and Vietnamese)

WE SAY
Get trims along the way to give it shape. And always bring inspiration: "I went to my barber two weeks ago, and I showed him the

Johnny Depp picture when he was dating Kate Moss, like, *I want that*," Naley says. "He was like, 'Oh, you gotta grow your bangs, bro. The '90s haircuts were so sick.'"
